## **MISCELLANEOUS TARIFFS**

### **COST RECOVERABLE WORK**

The Council has accepted the policy that where a quotation is issued to an applicant for cost recoverable work, this amount to be accepted as the actual cost, regarding the following:-

- (a) Work with existing tariffs, is not to be included in this policy
- (b) This policy is only valid for a maximum quotation of R6 000.00 and where cost exceeds this amount, the actual cost is to be covered. The applicant must confirm in writing to pay in advance and that such payment can be used as a deposit.
- (c) Work will only commence after the amount on the quotation is payed.
