The ANC questioned a number of aspects with regard to this matter inter alia the following:

1. Whether the tennis court could not be used for housing in order to affect integration of communities and contribute towards nation building.

2. Whether the tennis court would be relocated and costs thereof.

3. What the land would be utilised for by La Rochelle school.

Similar concerns were raised by the EFF.

Responding to some of the questions the Executive Mayor stressed that the land swop was essentially to free-up much needed land for housing.

During discussion of this matter the Deputy Executive Mayor questioned why Councillor A M Richards did not declare his interest in this matter as it relates to the La Rochelle Hockey Fields and land claim of which Councillor Richards was a claimant. Councillor Richards indicated that he had no interest in the matter as no reference is made to the hockey fields in the item under consideration. The Executive Mayor requested that the interests of both Councillors Combrink and Richards be investigated.

After some further discussion the matter was put to the vote and the recommendation of the Mayoral Committee carried by 39 votes to none and 11 abstenstions.

(The EFF abstained from voting since their questions relating to Erf 31005 were not adequately responded to.)

RESOLVED that

1. In terms of Section 14 of the MFMA **in principle** ***approval*** be granted for the alienation of a portion of Erf 31005, Du Toit Street, Paarl, measuring approximately 1,1ha in extent, to the Department of Transport and Public Works in exchange for Erf 115 Simondium, Erven 6081, 7845, 10558, 13932, 14385, 16352 Paarl and Farm No 647/22 Paarl, subject to the standard conditions of sale as well as the following further conditions:
