(Use separate page as addendum if space is insufficient.)

B. DECLARATION

I, the Applicant hereby declare the following:

1. If used for human consumption or contact, the water used from sources other than Drakenstein Municipality's water supply system will be regularly tested to ensure that it complies with the minimum requirements of SANS 241 as amended.
2. If water from these sources fail to comply with SANS 241, users have to be informed in writing that the water is not fit for human consumption or contact and can only be used for alternative purposes.
3. Water from alternative sources will not be connected to any system that is connected to any municipal water supply system.
