2. In terms of Section 14 of the Municipal Finance Management Act (Act No 56 of 2003) approval be granted for the alienation of portions of Erven 1294 and 1295 Wellington, situated in Church Street, measuring approximately 910m² and 700m² in extent (including the riparian zone of approximately 2 600m² in total) respectively, to Die Voortrekkers (Registration No. 021-962-NPO) for youth development purposes at a subsidised selling price of R166,000.00 (VAT excluded) (20% of the market value of R830,000.00), subject to the standard conditions of sale and the following further conditions:
- 2.1 A portion of Erf 1294 Wellington, measuring approximately 990m² in extent be subdivided and retained by the Municipality as a future electrical switching station;
- 2.2 A land surveyor be appointed by and at the cost of the purchaser to attend to subdivision of portions of Erven 1294 and 1295 Wellington and consolidation of the newly formed erf;
- 2.3 The newly consolidated erf be used only for youth development purposes which must be compatible with the riparian status;
- 2.4 On-site parking must be made available to accommodate parking requirements applicable to the existing use of the properties;
- 2.5 Erven 1294 and 1295 are subject to road widening. A 25 metre road reserve must be retained to the south of the erven and a 13 metre road reserve to be retained to the west of the erven;
- 2.6 Services servitudes in respect of electrical (6m wide) (located on the northern and western side of Erf 1294 Wellington), stormwater and wastewater infrastructure must be registered in favour of the Municipality or subdivisions (if possible) thereof must be undertaken;
- 2.7 Both Erven 1294 and 1295 Wellington are affected by flood lines and wetlands. A river maintenance management plan must be compiled by the purchaser and submitted to the Department of Environmental Affairs and Development Planning for approval, which will be a suspensive condition to the transaction and the Municipality will not be responsible for maintaining the riparian zone. The maintenance and upkeep of the riparian zone will thus be undertaken by and at the cost of the purchaser;
- 2.8 The Municipality must be indemnified against any claims for damages caused by any flooding, which indemnification must be registered against the title of the newly consolidated erf and be binding to all successors in title of the subject property;
- 2.9 Prior to commencement of any works on site, the position of municipal services must be verified on site by the municipal engineering services sections;
- 

DRAKENSTEIN MUNICIPALITY

- 2.10 No construction will be permitted over the municipal services;
- 2.11 Water connections are only available from Church Street for both Erven 1294 & 1295 Wellington. The existing municipal water main needs to be extended with a minimum 110mmØ pipe at the applicant's account;
- 2.12 Bulk metered connection is available at actual cost;
- 2.13 The sewer connection can be provided from the existing 150mmØ sewer main situated on Erf 1294 Wellington at actual cost (including sewer extension);
- 2.14 Services analyses will have to be undertaken by GLS to determine any upgrades of existing services at the cost of the purchaser;
- 2.15 Note must be taken of the fact that the private Bo-Vlei sewer main crosses the property and a servitude must be registered in favour of the Bainsvallei HOA north of Erven 1294 and 1295 Wellington. No connections will be allowed from the private pipe;
- 2.16 Any damage caused to municipal services will be repaired at the cost of the purchaser; and
- 2.17 All other technical conditions be adhered to as imposed by the technical departments.
3. The proposed transaction be subject to a pre-emptive and reversionary right to be registered against the title of the property in favour of the Municipality, whereby the purchaser may not sell the property without the written consent of the Municipality and to only use the subject property for the purpose as approved by Council. Failure to adhere to this will result in the re-transfer of the subject property to the Municipality at the original selling price.

The recommendation of the Mayoral Committee was put to the vote and carried by 54 votes for to 3 votes against with no abstentions.

RESOLVED that

1. In terms of Section 14 of the MFMA Council resolves that:
 - 1.1 The subject property is not needed to provide the minimum level of basic municipal services; and
 - 1.2 The fair market value of the asset and the economic and community value to be received in exchange for the asset has been considered.
2. In terms of Section 14 of the Municipal Finance Management Act (Act 56 of 2003) approval, be granted for the alienation of a portion of Erf 607 Gouda, measuring approximately 25 ha in extent, to Bedara Trust and Highway Group, for the development of a freight fuel filling station, overnight truck park and associated land uses, subject to the standard conditions of sale as well as the following further conditions:

- 2.1 The subject property be sold at a selling price of R45,000/ha which amounts to R1,125,000.00 (VAT excluded). A penalty in an amount of R1,875,000.00 (VAT excluded) will be payable if the development timeframes in paragraph 3 below and as per the deed of sale is not met;
 - 2.2 The subject property be developed into a secure and aesthetically appropriate freight transport facility that consists of an access controlled truck stop, a fuel retail and vehicle service facility, over-night accommodation, and associated land uses;
 - 2.3 All costs related to the registration of transfer and the obtaining of the required development rights, any other studies as well as any required statutory approvals be undertaken by and at the cost of successful applicant;
 - 2.4 ESKOM be consulted by the successful applicant pertaining to the electrical connection for the proposed development. The necessary applications be submitted to ESKOM directly;
 - 2.5 All costs related to the water and sewer/waste connection will be for the successful applicant's account;
 - 2.6 A water and wastewater services report will be required and Development Contributions will be payable in terms of the prevailing policy at the time;
 - 2.7 A Stormwater Management Plan and Traffic Impact Assessment are required as well as approval from the Provincial Roads Engineer needs to be obtained in respect of access and exit points to and from the facility;
 - 2.8 The transaction be subject to all further requirements and specifications as indicated by the technical departments, upon receipt of the detailed Site Development Plan forming part of the land use rights applications; and
 - 2.9 The subject property be granted a servitude right of way from the existing access point or any alternative access point(s) approved by the Provincial Roads Engineer, over the municipal property to the subject property, the details of which will be finalised upon receipt of the detailed Site Development Plan and which servitude right of way must be notarially registered by and at the cost of the developer.
3. The proposed transaction be subject to the following performance timeframes in respect of the proposed development, failing which a penalty of an additional R1,875,000 (VAT excluded) will be payable in respect of the selling price. An undertaking in an amount of R1,875,000.00 must be furnished in favour of the Municipality by the purchaser upon signature of the deed of sale. The development timeframes will be encapsulated in the deed of sale as follows:

DRAKENSTEIN MUNICIPALITY
MINUTES: COUNCIL/RAAD/IBHUNGA
31 JULY 2023

- 3.1 The submission of land use rights applications must be submitted within 6 months of date of sale (last signature date of deed of sale);
- 3.2 The obtaining of all land use rights within 24 months of date of sale;
- 3.3 The submission and obtaining of approval of civil and building plans within 4 months of obtaining all development rights approvals; and
- 3.4 The developer will be required to complete the development within 36 months of registration of transfer (as referred to in paragraph 4 below), which timeframes shall be encapsulated in the reversionary rights in favour of the municipality, and which right shall be registered against the title of the subject property.
4. The proposed transaction be subject to a pre-emptive and reversionary right to be registered against the title of the property in favour of the Municipality, whereby the successful applicant will be required to develop the subject property within a particular timeframe, be prohibited from selling the undeveloped subject property or a portion thereof or intent to use the subject property or a portion thereof for any other purpose as approved by Council without prior written consent from the Municipality. Failure to adhere to the aforementioned will result in the re-transfer of the subject property at the original selling price to the Municipality; and
5. In terms of paragraph 11 of the Asset Transfer Policy the subject property may be alienated by the Municipality via a Call for Proposals as the subject property is not required for municipal purposes and has substantial development potential and this particular transaction has the potential to be the catalyst development leading to further development in the hinterland.
