VERKLARINGS DEUR DIE SPEAKER

INGXELO NGU SOMLOMO

The Speaker made the following announcements:

1. Reminded ward councillors to have at least one public meeting per quarter for the period October to December;
2. Congratulated councillors who celebrated their birthdays in October;
3. Informed Council that the matter of Councillors K J Gertse and B Jacobs had been referred to a disciplinary committee; and
4. Informed Council that the matter of the allegations against the Executive Mayor would be more fully dealt with In-Committee under item 12.5 and that in compliance with section 15 (2) of the Code of Conduct the independent investigative report stated that there is prima facie evidence of possible breaches of the Code by Alderman C J Poole.

On a request from various opposition parties, the Speaker indicated that the report from the investigation team was only circulated to the Executive Mayor for a response and that the report was not provided by the Speaker to any other party, including the DA.

A formal request for the matter to be discussed in open Council and for the investigative report to be made available to all councillors, was denied by the Speaker.

The ANC called for a recess which was granted by the Speaker. When Council resumed with normal duties at 10:17, the ANC and opposition parties repeated their request for the report to be made available to full Council and for the matter to be discussed in open Council. They believed the Speaker withheld information from the public and do not agree with the process the Speaker followed. The Speaker indicated that he already ruled on the matter and that he would report under item 12.5 of the confidential agenda.

Opposition parties requested that their objection and disagreement with the ruling be recorded.
