WELLINGTON YOUTH DIALOGUE

The Youth dialogue campaign was held in Wellington Friday, 23 October 2020 in Ward 10 with the focus on teenage pregnancy, drug abuse and cyber bullying. This invite was send to all Wellington ward councillors (Ward 2, 7, 10, 11, 18 and 29) to ensure everyone send youth to attend the session. 48 members attended this dialogue session.

The session was conducted by Community Cohesion Social Worker, Mr. R. Perry and Ms N. Strydom.

The department of labour also formed part of this dialogue and informed the Youth on jobseekers' application and also a jobseeker advocacy that will be held on 05 December 2020.

Challenges by Wellington Youth

The challenges the youth face is that more active community programs need to be done for youth because they have all the resources but no active youth structures or programs.
