Your land use application with reference no. 1790982 refers.

You are hereby notified that the Authorised Employee of Drakenstein Municipality grants authorisation for the following application as contained in Condition I(d) of the Deed of Transfer No. T56566/2018:

1. Application for relaxation of restrictive title deed condition in order to develop a proposed covered woodpile and a covered veranda by relaxing the 1.57m northern and western title deed common boundary building lines to 0.00m respectively, applicable to Erf 2053 Paarl; and
2. Application for relaxation of restrictive title deed condition in order to develop a proposed carport by relaxing the 1.57m eastern title deed common boundary building line and the 4.72m title deed street boundary building line to 0.00m respectively, applicable to Erf 2053 Paarl.

Reasons for the above decision are as follows:

- No objection were received against the application; and
- The proposal will not have a negative impact on the existing built environment.

Your attention is drawn to the general right of appeal to the Executive Mayor being the Appeal Authority, in terms of Section 79(3) of the Drakenstein By-law on Municipal Land Use Planning, 2018, by any person whose rights are affected by the decision, within **21 days** from the date of the registration of the letter. **This approval is therefore suspended until further notice.**

Please note that the relaxation of the restrictive title deed restriction is not a formal approval for the removal, suspension or amendment of restrictive conditions in terms of the Drakenstein Municipal Land Use Planning By-Law, 2018.

Yours faithfully
