-
2. in terms of Section 14 of the Municipal Finance Management Act, final approval be granted for the alienation of a portion of Erf 22010, Paarl, measuring 1,9 hectares in extent, situated in Distillery Street, Dal Josaphat Industrial Area to Dal Josafat Cold Rooms (Pty) Ltd at a market related selling price of R5 m (VAT excluded) subject to the normal conditions of sale as well as the following further conditions:-
- 2.1 The applicant be responsible for the following, at own cost:-
- 2.1.1 The subdivision of the property where it encroaches onto Distillery Road, to ensure that the encroaching portion is retained by the municipality;
- 2.1.2 The submission of a Site Development Plan together with the application for subdivision as referred to in 2.1.1 above;
- 2.1.3 The obtaining of the required land use rights, together with all the required supporting studies, in respect of the portion of the property not currently zoned "Industrial";
- 2.1.4 The obtaining of a Water Use License due to the fact that the subject property is situated below the 1:50 and 1:100 year flood lines; and
- 2.1.5 The notarial registration of servitudes in favour of the municipality in respect of the three services pipelines which traverse the subject property. The registration of the notarial deeds of servitudes in respect of the three servitudes referred to above must take place simultaneously with the registration of transfer of the subject property, namely a portion of Erf 22010 Paarl.
- 2.2 The planning of the proposed top structure must make provision for the raising of the floor levels above the 1:100 year flood line.
- 2.3 No structures will be permissible over or within 3 metres of any municipal services.
- 2.4 The municipality must have access to all municipal services situated on the subject property at all times for required maintenance work and/or upgradings.
- 2.5 A Traffic Impact Study be undertaken by the applicant at own cost if required by the municipality.

MINUTES: MAYORAL COMMITTEE
20 MARCH 2018

- 2.6 All technical conditions as required by the technical departments, must be complied with.
- 2.7 Pre-emptive and reversionary right clauses be registered against the title of the property in favour of the municipality should the applicant intend to sell the undeveloped property or a portion thereof, on payment of an amount equal to the purchase price of the property or a pro-rata purchase price in case of the intended sale of a portion of the undeveloped property or fail to complete the development of the property as proposed within 24 months from date of registration.
- 2.8 All costs relating to the transaction will be for the applicants account.
- 2.9 The proposed transaction will be advertised for objections and counter offers.
3. the applicant be required to:-
- 3.1 Submit all land use applications for the subdivision and rezoning of the relevant portions of Erf 22010 Paarl within 3 months of signing the deed of sale, or such extended period as agreed upon between applicant and the municipality;
- 3.2 Obtain approval of all the required land use rights within 18 months of signing the deed of sale or such extended period as agreed upon between the applicant and the municipality. This will be a suspensive condition to the proposed sale;
- 3.3 Obtain building plan approval within 6 months from obtaining all the required land use rights approvals;
- 3.4 Registration of transfer must take place within 3 months from obtaining all the required land use rights approvals; and
- 3.5 Complete the development within 24 months from date of transfer, or such extended period as agreed upon between applicant and the Municipality.
