Disclaimer

This Quarterly Performance Assessment Report is based on reported information only and is un-audited. This report is subject to change on finalisation of the internal Performance Audit Report for the 1st Quarter of the 2024/2025 financial year.

1. PURPOSE

The purpose of this report is to inform Council of the progress made with the implementation of the Key Performance Indicators (KPIs) in the realisation of the development priorities and objectives as determined in the Municipality's Integrated Development Plan (IDP) as well as in the Top Layer (TL) Service Delivery and Budget Implementation Plan (SDBIP) for the first quarter (01 July – 30 September 2024) of the 2024/2025 financial year.

2. LEGISLATIVE REQUIREMENTS

- 2.1 The SDBIP is defined in terms of Section 1 of the Local Government: Municipal Finance Management Act, 56 (Act 56 of 2003) (MFMA), and the format of the SDBIP is prescribed by the MFMA Circular 13.
- 2.2 Section 41(1)(e) of the Local Government: Municipal Systems Act, 32 (Act 32 of 2000) (MSA), prescribes that a process must be established of regular reporting to Council.
- 2.3 This report is a requirement in terms of Section 52 of the MFMA which provides for:
 - 2.3.1 The Executive Mayor, to submit to council within 30 days of the end of each quarter, a report on the implementation of the budget and financial state of affairs of the municipality;
 - 2.3.2 The Accounting Officer, while conducting the above, must consider:
 - a. Section 71 Reports; and the
 - b. Performance in line with the SDBIP.

3. PERFORMANCE ASSESSMENT PROCESS

- 3.1 The SDBIP consists of a TL as well as a Departmental Plan for each department.
- 3.2 For purposes of reporting, the TL SDBIP is used to report on the organisational performance of the Municipality to Council and the Community.
- 3.3 The TL SDBIP measures the achievement of performance indicators with regards to the provision of basic services as prescribed by Section 10 of the Local

Government Municipal Planning and Performance Regulations of 2001, National Key Performance Areas and Strategic Objectives as detailed in the IDP of the Municipality. The TL SDBIP 2024/2025 was approved by the Executive Mayor on 28 June 2024.

- 3.4 The Departmental SDBIP measures the achievement of pre-determined performance indicators that are based on operational service delivery requirements aligned to the TL SDBIP. The Departmental Plans have been approved by the City Manager.
- 3.5 The Quarterly Performance Assessment Report is structured to report on the following six (6) Key Performance Areas (KPAs):
 - Governance and Compliance (KPA 1);
 - Finance (KPA 2);
 - Organisation and Human Capital (KPA 3);
 - Infrastructure and Services (KPA 4);
 - Planning and Development (KPA 5); and
 - Community Development (KPA 6).
- 3.6 The overall assessment of actual performance against targets set for the KPIs as documented in the SDBIP are illustrated in terms of the following assessment methodology:

Table 1: Explanation of Colour Codes

Colour	Rating	Category
Grey	0	No KPI Target This Quarter
Red	1	Unacceptable Performance
Orange	2	Not Fully Effective
Green	3	Fully Effective
Dark Green	4	Above Expectation
Blue	5	Outstanding Performance

- 3.7 The Performance Management System is a web-based system, and it uses, as its basis, the approved SDBIP. The SDBIP is a layered plan comprising of the TL SDBIP and Departmental SDBIPs.
- 3.8 Performance reports on the TL SDBIP are submitted to the Mayoral Committee and Council on a quarterly, half yearly (Mid-Year Budget and Performance Assessment Report) and annual basis (annual amendments to the TL SDBIP must

be approved by Council following the submission of the Mid-Year Budget and Performance Assessment Report and the approval of the adjustments budget).

4. PERFORMANCE MANAGEMENT SYSTEM

- 4.1 The Municipality utilises an electronic web-based system that is monthly and quarterly updated with actual performance.
- 4.2 The system closes every month between the 6th to the 15th day for updates of the previous month's actual performance as a control measure to ensure that performance is updated and monitored on a monthly basis. No access is available to a month's performance indicators after closure of the system. This is to ensure that the level of performance is consistent for a particular period in the various levels at which reporting takes place. Departments must motivate to the City Manager should they require the system to be re-opened once the system is closed.
- 4.3 The system requires KPI owners to update performance comments for each actual result captured, which provides a clear indication of how the actual was calculated/reached and serves as part of the Portfolio of Evidence (PoE) for auditing purposes.
- 4.4 In terms of Section 46(1)(a)(iii) of the MSA, the Municipality must reflect annually in the Annual Performance Report on measures taken to improve performance, in other words targets not achieved. The system utilised requires corrective actions to be captured for targets not achieved.

5. ACTUAL PERFORMANCE FOR THE FIRST QUARTER (01 JULY – 30 SEPTEMBER 2024)

- 5.1 The TL SDBIP contains performance indicators per KPA and comments with corrective measures with regard to targets not achieved.
- 5.2 A detailed analysis of actual performance for the first quarter of the financial year 2024/2025 is provided for in section 7 of this report.

6. DRAKENSTEIN PERFORMANCE PER MUNICIPAL KPA (01 JULY – 30 SEPTEMBER 2024)
