**RECOMMENDED that**

1. In terms of Section 14 of the Municipal Finance Management Act (Act No 56 of 2003) **approval** be granted for the alienation of a portion of Erf 534 Saron, measuring approximately 5 000m<sup>2</sup> in extent, to Rooted to Rise NPC (Registration No 9438429784), for social welfare, youth and community development purposes at a subsidised selling price, subject to the standard conditions of sale and the following further conditions:
  - 1.1 A valuation report be obtained to determine the selling price;
  - 1.2 The required lands use rights applications be undertaken by and at the cost of the purchaser to attend to the subdivision of Erf 534 Saron;
  - 1.3 On-site parking must be made available to accommodate parking requirements applicable to the existing use of the properties;
  - 1.4 Prior to commencement of any works on site, the position of municipal services must be verified on site by the municipal engineering services department;
  - 1.5 No construction will be permitted over the municipal services;
  - 1.6 Any damage caused to municipal services will be repaired at the cost of the purchaser;
  - 1.7 All other technical conditions be adhered to as imposed by the technical departments; and
  - 1.8 The proposed transaction be advertised in the local newspaper and on the municipal website for comments, objections and or counter offers.

**DRAKENSTEIN MUNICIPALITY**  
**MINUTES: MAYORAL COMMITTEE**

2. The proposed transaction be subject to a pre-emptive and reversionary right to be registered against the title of the property in favour of the Municipality, whereby the purchaser may not sell the property without the written consent of the Municipality and to only use the subject property for the purpose as approved by Council. Failure to adhere to this will result in the re-transfer of the subject property to the Municipality at the original selling price; and
3. It be noted that the formerly approved transaction in respect of the subject property has been cancelled due to lack of performance and any material progress shown on the part of the previous applicant to comply with the conditions of approval as stipulated in the in-principle approval.

**RECOMMENDED that**

1. In terms of Section 14 of the Municipal Finance Management Act (Act No. 56 of 2003) **approval** be granted for the alienation of a portion of Erf 585 Gouda, measuring approximately 1ha in extent, in favour of Eskom Holdings SOC Limited (Registration no. 2002/015527/30), for the expansion of the Nuwekloof Substation to allow for the construction of a 132kV HV yard and the extension of the existing 66kV yard to accommodate a future bay. The expansion of Nuwekloof substation will accommodate the connection of the proposed Berg River Wind farm and the Zen Wind Farm Projects to the National Grid subject to the standard conditions of sale and the following further conditions:
  - 1.1 The proposed transaction be advertised for comments, objections and representations;
  - 1.2 The property will be sold at a market related selling price to be determined by an independent valuer;
  - 1.3 The existing access servitude registered over the Remainder of a portion of Erf 585 Gouda for the existing Nuwekloof Substation in favour of Eskom be used;

- 1.5 A notarial agreement of servitude must be registered in favour of Eskom Holdings SOC Limited at the cost of FE Bonne Esperance and FE Berg River, and all other costs associated with the proposed transaction;
  - 1.6 The Option Agreement and Heritage and Environmental Impact Assessment forms be signed upon in principle approval to allow FE Berg River and FE Bonne Esperance to construct, commission, operate and maintain the Berg River and the Zen Wind Farm Project and conduct heritage and environmental studies, including obtaining building plan approvals;
  - 1.7 No building or structure may be erected or installed above or below the surface of the ground within fifty (50) metres of the centre line of any powerline or within fifty (50) metres from any structure supporting the system;
  - 1.8 Maintenance of the electrical infrastructure will remain the responsibility of Eskom; and
  - 1.9 Should the proposed project, Berg River and the Zen Wind Farm Projects not be proceeded with for whatever reason, prior to the registration of the servitude the transaction will lapse and be cancelled.
2. The proposed transaction can be supported due to the benefit it will add to the Gouda community expanding the existing Nuwekloof Substation by connecting wind farm infrastructure to the national grid and Eskom being the electricity service provider in the Gouda area.
