UMGAQO-NKQUBO WEEPROJEKTHI ZOKUSEBENZA EZISEKELWE KWIIWADI

Questions regarding the implications of the proposed changes on smaller NGO's/NPO's were posed and responded to, indicating that the proposed changes would make it easier for these smaller organisations to comply with the policies in as far as they relate to the provision of audited financial statements.

Concerns were raised with regard to the availability of audited financial statements of organisations that had been appointed previously to facilitate ward projects.

After some discussions and a recess requested by the African National Congress (ANC) party at 11:51, which was granted by the Speaker, their request for a workshop on the Policy was granted.

The recommendation of the Mayoral Committee was put to the vote and carried by 43 votes for to 9 votes against with 1 abstention.

RESOLVED that

The changes in the policy that is in line with Circular 67 be approved.

(The GOOD and Concerned Drakenstein Residents parties requested that their counter vote and reasons therefore, being that no guarantee could be provided that Council would get access to the Audited Financial Statements of external implementing agents already appointed to implement ward projects in past financial years, be recorded.)

Update on Farm Visit and Electricity Negotiations

Following the report tabled before Council last month, I conducted an on-site visit to the farm owner as scheduled. During the engagement, we discussed possible avenues for collaboration to assist farmworker households with the ongoing negotiations with Eskom regarding electricity connections.

The farm owner was requested to support and facilitate these discussions in order to expedite a workable solution for the affected residents.

Concerns regarding the owner's conduct, observed during the process, have been formally reported to Mr Franco Williams as well as to the Minister of Agriculture for further investigation and guidance.

Further updates will be provided to Council as the matter progresses.
