**Subject:** RE: APPLICATION FOR CONSENT USE FOR A PLACE OF INSTRUCTION ON ERF 15894 PAARL

Hi Cole

The applicant will not be allowed to construct, lay, install or temporarily erect any material of any kind on, next to or on top of any electrical infrastructure.

The minimum safety clearance of 3m horizontally must be kept at all times from any electrical infrastructure. The owner will be responsible for all cost if he or she wants to upgrade or change his existing supply.

Thank you very much.

Have a nice day.
