The Municipality's objectives are to procure reliable 19m³ double axle refuse compactors with mech-lift 220 high level bin lifters, fitted with Alison automatic transmission, additional to that available and acceptable on tender TSPM 15/2024, as the number of service providers and number of acceptable vehicles does not always match the needs in the municipality.

The Suppliers with suitable vehicles will be placed on a list, contacted if vehicles are required and issues with an order for the number of hours that the vehicles are estimated to operate. Such hours may be utilized on various days and not necessarily consecutive days.

The period in which orders for the lease of refuse compactors sourced from Suppliers pre-qualified through this bid would be from September 2025 to January 2026.
